Adoption of the Principles for Responsible Management Education

As an institution of higher education involved in the development of current and future managers, Benedictine University is committed to implementing the Principles for Responsible Management Education starting with those that are more relevant to our capacities and mission, report on progress to all our stakeholders, and exchange effective practices related to these Principles with other academic institutions.

We understand that our own organizational practices should serve as example of the values and attitudes we convey to our students.

We encourage other academic institutions and associations to adopt and support these Principles.
