FOCUS SESSION

PRME Working Groups - Generating Knowledge to Support the SDGs

18 July 2017
AGENDA

• Opening remarks and moderation by Patricia Flynn, Bentley University

• Taking stock of key achievements to date

• Break-out round table discussions for each Working Group

• Brief summaries of key discussion outcomes and commitments
DISCUSSION LEADERS

Moderator: Patricia Flynn, Bentley University

- **Anti-Corruption in Curriculum Change** – Ronald Berenbeim, New York University
- **Business and Human Rights** – Caroline Kaeb, UConn School of Business
- **Business for Peace** – Robert McNulty, Bentley University
- **Climate Change and Environment** – Petra Molthan-Hill, Nottingham Trent University
- **Gender Equality** – Kathryn Haynes, University of Hull
- **Poverty, a Challenge for Management Education** – Milenko Gudic, REFOMENT Consulting & Coaching
- **Sustainability Mindset** – Isabel Rimanoczy, Legacy Coaching
1. How can we move current and new WG activates/projects forward in support of the SDGs?

2. What opportunities exist for cross-collaboration among WGs around the SDGs, and, if relevant, what should be our next steps?

3. What kind of funding models/channels could be utilized to secure external financing for various WG projects?
Summary of Discussions

1. Each discussion leader has 2 minutes to share key outcomes and commitments

2. Specific, actionable commitments in support of the SDGs
REMINDER

Next Session: 6:30pm at United Nations Headquarters
