</table>
## PRME Deans Dialogue

This session will discuss current and future challenges (e.g. COVID-19) for Deans and their role in ‘normalizing’ responsible management education in their institutions.

- Ignacio de la Vega, Dean, EGADE
- Bai Chong-En, Dean, School of Economics and Management, Tsinghua University
- Sanjeev Khagram, Dean of Thunderbird School of Global Management, Arizona State University
- Nicola Kleyn, Dean, Gordon Institute of Business Science, University of Pretoria
- **Moderator:** Mette Morsing, Head, PRME

## Research on Responsible Management: Where are We Heading? Meet the Editors

This session will discuss responsible management research and its trends in academic journals.

- Paul Hibbert, Chief Editor, *Academy of Management Learning and Education*
- Colin Higgins, Editor-in-Chief, *Business & Society*
- Emma Bell, Editor-in-Chief, *Management Learning*
- **Moderator:** Andy Crane, former Editor-in-Chief, *Business & Society*

## What is the Future for Rankings and Ratings to Advance Sustainable Development?

This session will discuss to what extent business school rankings have impacted higher education towards sustainable development and how to exacerbate further development in the Decade of Action.

- Daniel Kahn, Senior Research Analyst, QS World University Rankings
- Toby Heaps, Co-Founder and CEO, Corporate Knights
- Duncan Ross, Chief Data Officer, Times Higher Education
- Andrew Jack, Global Education Editor, *Financial Times*
- Jane Shaw, ‘Which M.B.A.?’ Editor, *The Economist*
- ** Moderator:** Julia Christensen Hughes, Professor, Gordon S. Lang School of Business and Economics, University of Guelph

## PRME and Students Dialogue: The NEXT-GEN

This session will discuss a global student perspective on the future of education and how to mobilize towards the 2030 Agenda for Sustainable Development.

- Shivani Ghai, M.B.A Candidate, University of Cape Town’s Graduate School
- Daniel Costa, Programme Officer at EURAXESS & Senior Advisor at UN Sustainable Development Solutions Network – Youth
- Minyoung Park, Student, Korea University
- **Moderator:** Clementine Robert, President, oikos International

## Rethinking Trends and Challenges for Management and Leadership Development

This session will discuss the important role of management and leadership associations in driving sustainability even further in higher education: how do they envision doing it?

- Andrew Main Wilson, CEO, Association of MBAs (AMBA)
- Dan LeClair, CEO, Global Business School Network (GBSN)
- **Moderator:** Professor David Cooperrider, Fairmount Minerals Professor, Director of University Center for Business as an Agent of World Benefit, Case Western Reserve University

## Awards for Excellence in SIP Reporting

This session will present awards for outstanding SIP reporting to those who have shown strong implementation of the Six Principles and have progressed on the SDGs towards the 2030 Agenda for Sustainable Development.

## Closing Remarks

- Paul Polman, Co-Chair of UN Global Compact, Co-Founder of IMAGINE
CONFIRMED SPEAKERS

Alec Wersun, Senior Lecturer, School Lead for the Common Good, Glasgow Caledonian University (Scotland)

Alec Wersun EdD is a senior lecturer at Glasgow Caledonian University and Chair of the UK & Ireland PRME Regional Chapter. A PRME Pioneer strategist and educationalist, his passion is on facilitating change in universities to better equip today’s students with the understanding, ability and mindset to deliver change tomorrow.

Alex Hope, Head of Department: Leadership and HRM, Associate Professor of Business Ethics, Newcastle Business School, Northumbria University (England)

Dr. Alex Hope is Head of Department for Leadership and Human Resource Management and Associate Professor of Business Ethics at Newcastle Business School, Northumbria University, UK. He is Vice-Chair of the UK and Ireland Chapter of UN PRME, and Co-Chair of the UN PRME Climate Change and Environment working group.

Andrew Jack, Global Education Editor, Financial Times

Andrew Jack is global education editor for the Financial Times, writing on educational issues around the world and editorial lead for the free FT schools programme. He was previously head of curated content, deputy editor of the big read section, pharmaceuticals correspondent, and a foreign correspondent in France and Russia.

Andrew Main Wilson, CEO, Association of MBAs

Andrew Main Wilson is the CEO of the world's leading Organisation for MBAs. AMBA accredits over 260 of the world's most respected MBA Business Schools, from 70 countries in all 6 Continents. AMBA also has over 40,000 individual MBAs as Members, resident in over 150 countries worldwide.
Andy Crane, former Editor-in-Chief, *Business & Society*

Andy Crane explores new ways of thinking about the social, ethical and environmental dimensions of business. He is particularly known for his work on the changing role of the corporation in the global economy, where I have been influential in developing a new view of corporate citizenship that addresses the political roles and responsibilities of business.

**Professor Andy Hoffman**, Holcim (US), Inc. Professor of Sustainable Enterprise, University of Michigan (United States of America)

Andrew Hoffman is the Holcim (US) Professor of Sustainable Enterprise at the University of Michigan, a position that holds joint appointments in the Ross School of Business and the School for Environment and Sustainability.

**Ann Rosenberg**, Senior Vice President UN Partnerships at SAP & Global Head of SAP Next-Gen

Ann Rosenberg is Senior Vice President & Global Head of SAP Next-Gen, a Purpose Driven Innovation Community Empowered by SAP Leonardo. Ann leads SAP Next-Gen, a purpose driven innovation community empowered by SAP Leonardo and an innovation platform for SAP’s 365,000+ customers across 25 industries in 180+ countries. Rosenberg is also Senior Vice President of UN Partnerships.

**Aurélien Decamps**, Professor, KEDGE Business School (France)

Aurélien Decamps has been a Professor at KEDGE Business School since 2012. Doctor of Economic Sciences from the University of Bordeaux (2009), his focuses on research in Territorial and Urban Economics and in Real Estate.
Bai Chong-En, Dean, School of Economics and Management, Tsinghua University (China)

Bai Chong-En is a Mansfield Freeman Chair Professor, Dean of the School of Economics and Management of Tsinghua University. Bai Chong-En taught at Boston College and The University of Hong Kong. His research areas include Institutional Economics, Economic Growth and Development, Public Economics, Finance, Corporate Governance and Chinese Economy.

Dr. Belinda Gibbons, Senior Lecturer, Sydney Business School at University of Wollongong, Australia/New Zealand Principles of Responsible Management Education (PRME) Coordinator, United Nations PRME Advisory Committee Member (Australia)

Belinda Gibbons is the Australia/New Zealand Principles of Responsible Management Education (PRME) Coordinator and a member of the United Nations PRME Advisory Committee. Belinda designed, developed and coordinates the interdisciplinary undergraduate capstone unit at UOW onshore and offshore campuses alongside the MBA design thinking postgraduate subject.

Clarke Murphy, CEO, Russell Reynolds Associates

Clarke is the Chief Executive Officer of Russell Reynolds Associates and serves on the Board of Directors. Prior to his appointment as CEO, he was the Global Leader of the firm’s CEO/Board Services practice. While at Russell Reynolds Associates, Clarke has conducted a number of significant projects in the industry, including Board of Director searches for UnitedHealth Group and MSCI. He has also conducted CEO assignments for MasterCard, ARAMARK and Duke Energy, among others.

Colin Higgins is Professor of Management, Deakin University Australia. He is Co-Editor of ‘Business & Society’, 2020 PDW Chair for the SIM Division of the Academy of Management, and Fellow of IABS. His research examines corporate reporting through an institutional lens, and is widely published in management and accounting journals.
Dan LeClair, CEO, Global Business School Network (GBSN)

As CEO of the Global Business School Network, Dan is leading efforts to improve access to quality, locally relevant management and entrepreneurship education for the developing world. Prior to GBSN, he helped transform AACSB from a US accrediting body to a global thought leader and internationally respected quality assurance agency.

Dan Thomas, Chief of Communications, UN Global Compact

In his role as Chief of Communications, Dan Thomas leads corporate communications, media relations and strategic events. During his time at the UN Global Compact, Mr. Thomas has led the creation of a new communications strategy designed to engage a broader coalition of partners in support of the 2030 Agenda for Sustainable Development.

Daniel Costa, Programme Officer at EURAXESS & Senior Advisor at UN Sustainable Development Solutions Network – Youth

Daniel Costa works at EURAXESS, a pan-European initiative aiming at fostering the mobility of researchers between the EU and all parts of the world. He is also volunteering at Global Schools, a SDSN Youth program promoting Education for Sustainable Development. Daniel is currently finishing an MBA in Economics and Sustainability.

Daniel Kahn, Senior Research Analyst, QS World University Rankings

Daniel is from Manchester, UK but is now based in Paris. He has over 10 years of experience in business education and manages the team who produce the QS MBA/Masters Rankings. Daniel specialises in data analysis and process improvement and has travelled extensively meeting with business school deans and admission directors.
**Danica Purg**, Acting Chair of PRME Steering Committee, PRME

Professor Danica Purg is until June 30, 2020 performing the function of Interim Acting Chair of the PRME Steering Committee. She is President of IEDC-Bled School of Management, Slovenia, and President of CEEMAN, the international association of 200 management development institutions from 50 countries. She holds doctor honoris cause titles from some universities around the world.

---

**Professor David Cooperrider**, Fairmount Minerals Professor, Organizational Behavior Director, University Center for Business as an Agent of World Benefit (United States of America)

Professor Cooperrider is past President of the National Academy of Management's OD Division and has lectured and taught at Harvard, Stanford, University of Chicago, Katholieke University in Belgium, MIT, University of Michigan, Cambridge and others. Currently David serves as Faculty Director of the Center for Business as an Agent of World Benefit.

---

**David Steingard**, Associate Professor, Associate Director of the Pedro Arrupe Center for Business Ethics, Saint Joseph's University (United States of America)

David Steingard is Director of the SDG Dashboard in the Haub School of Business at Saint Joseph’s University, USA. The SDG Dashboard is a collaborative online platform for collecting and sharing the best United Nations SDG impact practices of global business schools and universities

---

**Duncan Ross**, Chief Data Officer, Times Higher Education

Duncan is Data and Analytics Director for Times Higher Education, helping to create new and innovative rankings and data products across the HE sector. He was listed in the top 50 data leaders in the UK by Information Age, and as one of DataIQ's Big Data 100. Prior to joining Times Higher Education, he was Director Data Science at Teradata, with a remit across all industries and the entire international region (EMEA and APAC).
**Professor Emma Bell**, Professor of Organisation Studies, the Open University (England)

Prior to joining the Open University, she was a professor at Keele University for five years. Before that she worked as a lecturer and researcher at the University of Warwick, Queen Mary University of London, University of Bath and Exeter University. Emma is Joint Editor-in-Chief of the journal Management Learning, Associate Editor for *Qualitative Research in Organizations and Management*, and serves on the editorial boards of *Academy of Management Learning & Education*, *Organization*, *Scandinavian Journal of Management* and *Human Relations*.

**Enase Okonedo**, Dean, Lagos School of Business (Nigeria)

Professor Enase Okonedo, Dean, Lagos Business School is passionate about management education in developing markets. She served on the Association of African Business Schools and AASCB International boards. She currently serves on the boards of Graduate Management Admission Council and Global Business School Network in addition to several corporate organisations.

**Evgenia Pashkevich**, International Programs Director, IBS RANEPA (Russia)

Evgenia is Associate Dean of the Institute of Business Studies of RANEPA, the biggest Russian University. She oversees partner networks, AACSB/EFMD accreditation and activities related to PRME. She earned her PhD in 2008 and had had over 15 years' experience in business and management before she joined IBS.

**Ignacio de la Vega**, Dean, EGADE Business School (Mexico)

Ignacio de la Vega has a proven track record as an entrepreneurial leader in academic, financial, and government sectors. Prior to joining EGADE, he served as CEO of Global Babson, an organization that integrates the Global Centers of Entrepreneurial Leadership at Babson College, where he developed innovative programs and collaborative research initiatives with a focus on entrepreneurship.
Ilian Mihov, Dean, INSEAD (France)

Professor Ilian Mihov was appointed Dean of INSEAD on 1 October 2013. He is concurrently the Rausing Chaired Professor of Economic and Business Transformation. His expertise is in macroeconomics with a focus on monetary policy, fiscal policy and economic growth.

Ishwar Haritas, Head and Coordinator, Sustainability, Innovation & Entrepreneurship Cluster
Associate Professor: Strategic Management & International Business (India)

In a career spanning over 15 years, Professor Haritas has worked in the industry, not-for-profit organizations and international agencies, in over 15 countries, across 3 continents, on scores of strategy design and execution projects and programmes.

James P. Walsh, Former President of Academy Of Management, Professor, Ross School of Business, University of Michigan (United States of America)

James P. Walsh is fascinated by cross-level relationships: the influences between and among individuals, organizations, and society. “And as romantic as it may sound, I think we are all called to try to leave the world a better place. The desire to better understand these cross-level relationships, done with a clear eye on bettering our world, animates most everything I do.”

John Katsos, Associate Professor, American University of Sharjah (United Arab Emirates)

John E. Katsos is Associate Professor at the American University of Sharjah where he teaches Business Ethics, Negotiations, and Business Law. His research on business and peace has appeared in The Washington Post, Global Policy, Journal of Business Ethics, Academy of Management: Perspectives, and Business Ethics: European Review.
Dr. Julia Christensen Hughes, Professor, Gordon S. Lang School of Business and Economics, University of Guelph (Canada)

Dr. Julia Christensen Hughes is founding (former) dean of the Gordon S. Lang School of Business and Economics at the University of Guelph, Canada. A staunch advocate for "business as a force for good" and purpose-driven, ethical enterprise, Julia is currently working with global thought leaders in transforming traditional ranking metrics.

Katrin Muff, Ph.D., President, Positive Impact Rating and Director at the Institute for Business Sustainability, Lucerne, and Professor of Practice, Luiss Business School (Italy)

Dr. Katrin Muff is an internationally recognized thought leader in the transformative space of sustainability and responsibility. She teaches, consults, speaks and is active on boards. Until 2018 she helped transform Business School Lausanne, where she acted as Dean from 2008-2015

Professor Madhu Veeraraghavan, Director, The T.A. Pai Management Institute (TAPMI) (India)

Professor Madhu Veeraraghavan currently serves as Director, T.A. Pai Management Institute, Manipal, India. Prior to this, he served as faculty, at leading B-Schools such as the Griffith Business School (Griffith University, Queensland, Australia), Queensland University of Technology, Queensland, The University of Auckland Business School, Monash University, Melbourne.

Mark Esposito, Ph.D, Co-Founder & Chief Learning Officer, Nexus FrontierTech

Mark Esposito, PhD, is recognized internationally as a top global thought leader in matters relating to The Fourth Industrial Revolution, the changes and opportunities that technology will bring to a variety of industries. He is Co-Founder and Chief Learning Officer at Nexus FrontierTech, an AI scale up venture, dedicated to help business become more efficient and competitive by introducing the latest data management science.
Marie-Claire Graf, Co-Founder, Sustainability Week International

Marie-Claire Graf is a Swiss youth advocate and change maker for just sustainable development and ambitious climate action through her diverse engagement around all dimensions of sustainability on a local, national and international level. She is the co-founder of the Sustainability Week International and recently she was awarded as United Nations Youth Climate Champion.

Megan Buchter, Director, Fowler Center

Megan (Schulstad) Buchter joined the Fowler Center for Business as an Agent of World Benefit at Case Western Reserve University in October 2016 to work on the AIM2Flourish initiative. As the AIM2Flourish Operations Manager she supported all AIM2Flourish professors, students, and editors in having a successful experience with the AIM2Flourish curriculum and assignment.

Dr. Mette Morsing, Head, Principles for Responsible Management Education

Dr. Mette Morsing is Head of PRME, Principles of Responsible Management Education, a UN Global Compact Initiative. Morsing was professor at Stockholm School of Economics and Copenhagen Business School, where she was Executive Director of interdisciplinary sustainability research centers. She is awarded for research-practitioner work and served on practitioner-oriented and academic-editorial boards on sustainability.

Minyoung Park, Student, Korea University (South Korea)

Minyoung Park is a senior at Korea University, Division of International Studies, and is an intern at Global Compact Network Korea. Minyoung previously worked in organizations to construct a human rights protection mechanism in Asia and has recently been awarded for her paper on emerging digital technologies and human rights.
Molly MacEachen, Consultant, United Nations Global Compact

Molly MacEachen is a consultant for the UN Global Compact and student finishing her degree at the University of Colorado’s Leeds School of Business. As a part of the team in the school’s Center for Ethics and Social Responsibility, Molly has authored SIP Reports and represented the school at a PRME Champions Meeting.

Professor Nicola Kleyn, Dean, University of Pretoria, Gordon Institute of Business Science (GIBS)

In addition to her executive management responsibilities at GIBS, Nicola is a researcher and teacher in the areas of Corporate Branding and Reputation Management. She is a member of the Executive Senate of the University of Pretoria, a director of GIBS, former President and a current member of the Board of the South African Business Schools Association (SABSA), Chair of the Accreditation Committee of the Association of African Business Schools (AABS), the African representative on the CEEMAN board and a member of the global EYQ Fellows Program.

Nikolay Ivanov, Manager, Principles for Responsible Management Education

In his role of managing the programmatic work of PRME, Nikolay is working closely with business schools, companies, and UN partners on integrating the SDGs into curriculum, research, and partnerships. Previously, Nikolay worked on implementing the PRME Six Principles at Copenhagen Business School from where he also led a sustainability-focused student organisation and graduated with a Master of Science in International Business and Politics and a Minor in Sustainable Business.

Nkiruka Chiemelu, Senior Manager, Global Operations, UN Global Compact Africa

Nkiruka Chiemelu is the Senior Manager of Global Operations at the UN Global Compact Office and its Africa regional hub. Additionally, she is the global coordinator for the UN Global Compact Young SDG Innovators, an innovation accelerator for young professionals to identify and develop viable commercial solutions for the SDGs.
Ole Lund Hansen, Chief of Operations, United Nations Global Compact

Ole Lund Hansen is part of the executive management team of the UN Global Compact. In his role as Chief of Global Operations, he leads strategy, development and support for the 70+ Global Compact Networks around the world. Ole joined the UN Global Compact in 2009 where he previously led different projects and programmes on the Sustainable Development Goals, Breakthrough Innovation, Board Adoption, Responsible Investment and Global Compact LEAD.

Paul Hibbert, Chief Editor, Academy of Management Learning Education

Paul Hibbert MBA PhD FHEA FCMI is Professor of Management at the University of St. Andrews, where he has served as Faculty Dean and Vice-Principal for Education. He is also an Honorary Professor at the University of Auckland, and the incoming Editor-in-Chief of AMLE.

Paul Polman, Co-Chair, United Nations Global Compact, Co-Founder, IMAGINE

Paul Polman was Chief Executive Officer of Unilever from 2009 to 2019. Under his leadership, Unilever has set out an ambitious vision to decouple its growth from overall environmental footprint and increase its positive social impact. Paul actively seeks cooperation with other companies to implement sustainable business strategies and drive systemic change. He is Chairman of the International Chamber of Commerce, Chair of the B Team and Vice-Chair of the UN Global Compact.
